

Strategic/annual plan

Under the Education and Training Act 2020 (the Act), the planning and reporting framework came into effect on 1 January 2023. Te Mahau/Te Tāhuhu o te Mātauranga (Ministry of Education) framework for school planning and reporting, called Te Whakangārahu Ngātahi | Planning Together for Ākonga Success: Our School, Our Community is now in place. - create an annual implementation plan that sets annual targets and actions for working towards strategic goals
- create an annual report that details the school's progress and finances.
